

Core Leadership Practices™: **SAMPLE DEPLOYMENT**

What are the Core Leadership Practices™?

The ABCDs of Managerial Leadership

- Foundational practices that any Manager at any level must utilize in order to be effective and meet the goals of the organization through the people that they lead
- Delivered in 6 modules that span 3 days of facilitation
- Grounded in practical theory and science, these enduring practices truly differentiate success and failure in the field of management

The 4 Core Leadership Practices™

- Each involving sub-practices:

Aligning

- Context Setting
- Team Planning
- Team Building

Building

- Selection & Integration
- Deselection & Dismissal
- Continuous Improvement

Connecting
